

Council of Councils

The Council of Councils (CoC), established by the Council on Foreign Relations in 2012, is composed of twenty-six major policy institutes from some of the world's most influential countries. The CoC, which meets throughout the year in member countries and at an annual conference in the United States, is designed to facilitate candid dialogue among influential opinion leaders from both established and emerging nations. Its ultimate goal is to inject the conclusions of its deliberations into high-level foreign policy circles within member countries. The CoC produces the Global Memo series, a monthly expert brief on a pressing global issue, and the Report Card on International Cooperation, an annual report that evaluates international efforts to address ten of the world's most pressing transnational challenges. The CoC operates under CFR's International Institutions and Global Governance program and is funded by a generous grant from the Robina Foundation.
