

COUNCIL *on*
FOREIGN
RELATIONS

2014–2015 Donor Listing

Gifts to the Annual Fund
Operating Grants
Endowment and Other Special Gifts

The Council on Foreign Relations receives charitable contributions from a variety of private sources, including its members, corporations, and foundations. As the premier foreign policy organization in the United States, CFR plays a leading role in contributing to the intellectual momentum that is needed to address a broad spectrum of current and emerging problems, and unrestricted gifts to the Annual Fund help ensure the organization's independence and nonpartisanship. Gifts to CFR are tax deductible to the full extent allowed by U.S. law and, in the case of individual members, are contributed over and above annual membership dues.

ANNUAL FUND

Gifts to the Annual Fund account for 15 percent of the organization's operating budget each year. This critical unrestricted revenue provides support for the Council's meetings, research, website, and related activities. The Annual Fund surpassed \$9.6 million this year, with more than 1,490 members participating. Our leadership group of Annual Fund benefactors, the Harold Pratt Associates (gifts from \$25,000 to \$49,999), had 148 members, and 72 members qualified as members of the Chairman's Circle with their gifts of \$50,000 or more. CFR is honored to acknowledge all of its members who supported the 2014–2015 Annual Fund in the list that follows. Many Council members leveraged their gifts by participating in matching gift programs, and sponsoring corporations and foundations are recognized here as well.
